

## Alpha Rho Nu Enhanced Membership

This is an optional program! To become an enhanced member you need to do activities in at least **two areas and participate in a fundraising event**. Recognition and the award for the level/s you have earned are given annually at the chapter spring banquet. Please keep a record of your activities and submit it each year in April to an officer or risk loss of points. Please be sure to sign the attendance sheet at the event, too. Levels must be achieved within a **three year** time span. The Enhanced Membership program is subject to change with a membership vote.
