BOOKS

To purchase your books and supplies, refer to your class schedule, which will provide the needed information to make your selection at the bookstore or online at bookstore.kvcc.edu. Students should plan to pay approximately \$1,800 per year on books and supplies. Students in technical programs, such as Nursing, Dental Hygiene, Drafting, Welding, Culinary and others may need to budget a greater amount. In order to have the best selection of new and used textbooks it is in your best interest to purchase books early.
