

Financial Assistance Application 2009 - 2010

We encourage all students to apply for federal and state financial aid by completing the Free Application for Federal Student Aid (FAFSA). If you are interested in other sources of funding, please complete this application and state your reason for applying. We will then consider you for financial aid programs through the College and the KVCC Foundation, as well as sources through the community. Some of these programs that you will be considered for (but are not limited too) are as follows:

KVCC Trustee Assistance Fund
KVCC Foundation Non-Traditional Student Grant
KVCC Foundation Assistance Grant

KVCC Foundation Enabling Grant
H. P. & Genevieve Connable Scholarship
David and Jeanne Long Scholarship

To be considered for one of the above programs you must complete the sections below by answering all questions. Please note: if you did not complete the FAFSA and have your results sent to KVCC, you need to complete a Financial Aid Needs Analysis Worksheet, available in the Financial Aid Office. If neither of these forms are on file with the Financial Aid Office, you may not be considered for funds provided by KVCC or the KVCC Foundation.
