This grid assumes we will have **9** 200+ level classes in Fall and Winter semesters and **3** in the Summer semester, ongoing. The ninth line begins a rotation of World Lit each fall (as it is a direct transfer class) and Lit Interp and CNF alternating Winter semesters. Depending upon need, CNF or Lit Interp can be taught in the summer as well.

- This schedule is subject to change due to the needs of our English students and the availability of instructors.
