## Advanced Placement (AP)

Advanced Placement courses are available to high school students in select schools. A national standardized test is offered at the conclusion of each course, with the opportunity to gain college credit for passing scores. Upon receipt of an official transcript from AP, Kalamazoo Valley Community College will award credit for scores of 3 or higher. Listed below are the courses and credits students will be awarded for each exam. For more information about AP, please visit apstudent.collegeboard.org.
