Important Notes

- If you are **not enrolled and attending at least 6 credit hours that begin on May 5, 2014**, your loan refund will be issued **after** the initial credit/balance refund date. This may also affect your Pell Grant refund. Refer to How/When \$\$\$ Paid on our web page at www.kvcc.edu/financial.

Example

Nate has an English 110 class that begins May 5th. ENG 110 is a 3 credit hour class. He also has Political Science 101 that begins June 26th and is 3 credit hours. Nate will not receive a refund of his loans until July 18th. KVCC must monitor attendance in 6 credit hours before we can disburse his loans. Although he began a class in May, he did not begin his sixth credit hour until June 26th. His eligibility is based on his attendance in both classes.

Class	Number of credits	Start Date	Credit/Balance refund
ENG 110	3	May 5 th	Does not have 6 credits required for loan to disburse to his account
PSI 101	3	June 26th	July 18 th (enrolled in 6 credits and attendance standards have been monitored - now eligible for loan credit balance refund)

- To process a Federal Pell Grant for the 2014 summer semester, you must **your financial aid file by Friday, June 6, 2014.** **complete**
- All Pell Grant awards for the summer semester will be based on full-time attendance (12 or more credit hours), and will be adjusted based on your actual enrollment and/or remaining Pell Grant eligibility for 2013/2014.
- To be eligible for a student loan, you must be enrolled at least half-time (6 or more credit hours) and have remaining loan eligibility for 2013/2014.
