

KALAMAZOO VALLEY COMMUNITY COLLEGE

The Financial Aid Office is currently accepting applications for the following KVCC Foundation-Sponsored Scholarship for the 2017 fall semester.

Deadline to submit an online scholarship application is June 1, 2017.

Applications will not be returned for missing information.

All students will be notified by mail if they have been awarded a scholarship and by email if they were not selected to receive a scholarship.

KVCC has an online processing system for all Foundation - Sponsored Scholarships. To apply for the scholarships listed below, you must use this online scholarship system including application.

Features of the system:

- Complete one short and secure online general scholarship application. No more paper.
- Automatically considered for any other scholarships that match your application and eligibility requirements.
- May be eligible for additional scholarships by answering supplemental questions at the time of application.
- Learn more about posted scholarships, including qualifications and other related information, by using the keyword search function.

You can access our online scholarship application system by going to www.kvcc.edu/scholarships. Follow link to Available Scholarships. Use your KVCC email address to create your account. This needs to be done each academic year. (If you have applied through this online system before, you will need to re-register using your KVCC email. All accounts are deleted at end of academic year.)

Complete the General Application to the best of your knowledge and abilities. If there's an open-ended field such as an essay make sure you complete this section.

Certification Statement: By submitting your application, you are authorizing the Financial Aid Office at KVCC to release any and all academic and financial aid information to the donors of this scholarship, as well as the members of the Scholarship Review Committee. By providing your name in the signature box you are electronically signing this application.

Please note: Scholarships that indicate **documented need required** means you must have a complete and valid FAFSA on file with the Financial Aid Office. If this FAFSA is not on file with our office at the time we review your scholarship application, you will not be considered for the scholarship.

Scholarship recipients are expected to write a personal note of thanks to the donors of the scholarship fund they receive. Send your thank you note to the KVCC Foundation Office at the following address:
