## Important Notes

- If you are **not enrolled and attending at least 6 credit hours that begin on May 6, 2024**, any loan refund will be issued **after** the initial credit/balance refund date. This may also affect your Pell Grant refund. Refer to How/When \$\$\$ Paid on our web page at [www.kvcc.edu/financial](http://www.kvcc.edu/financial).

### Example

Nate has an English 110 class that begins May 6<sup>th</sup>. ENG 110 is a 3 credit hour class. He also has Political Science 101 that begins June 27 and is 3 credit hours. Nate will not receive a refund of his loans until July 21. KVCC must monitor attendance in 6 credit hours before we can disburse his loans. Although he began a class in May, he did not begin his sixth credit hour until June 27. His eligibility is based on him meeting class attendance standards in both classes.

Class	Number of credits	Start Date	Credit/Balance refund
ENG 110	3	May 8	Does not have 6 credits required for loan to disburse to his account
PSI 101	3	June 27	July 21 (enrolled in 6 credits and attendance standards have been monitored - now eligible for loan credit balance refund)
