TBO, including HEDGEHOG Discussion  
Discussed possible dates for the review of Cabinet member profiles by Talent+ representatives.  

The Cabinet continued the hedgehog discussion and trying to define KVCC’s “core” mission. If we are good now, how do we define and get to great? Who are our constituencies and what is our community? Do they define our hedgehog? Do we need to be more data-driven in what we are doing and why we are doing it? How do we keep the high touch component of our core? Who should be part of the leadership council? Next discussion on the hedgehog and “good to great” will be after the individual reviews of the Cabinet member profiles have been completed.
