Members Present: Anderson, Bohnet, Cannell, Collins, DeHaven, Hutchins, Kocher, Lay Niewoonder, Schlack and Woods

TBO Discussion
a. Personnel Items – heard some items related to personnel issues and retirements.
b. Dashboard, Resource Allocation and People Committee – notes from a recent meeting of the financial/optimize resources group was shared – reported that tentative budgets have been put together from each of the subcommittees – some costs may be incurred this fiscal year and may need to be put into this year’s budget. Feedback on the recommendations in the notes should be provided to the Terry and Jim in preparation for next week’s Cabinet meeting.
c. Reality Check – a couple of items were added to the list.
d. Kudos! were shared.
e. Other TBO Items –
   • Reported that Talent + interviews are continuing for supervisors and support staff.
   • Discussed issues related to student testing/profiling programs currently in place in the testing and counseling offices – coordination of services, tie-in to our Talent+ initiative and economy of scale issues need to be looked at and evaluated.

Approval of Minutes
The minutes of the March 14, 2006 meeting were approved as submitted.

Other
• Discussed State funding issues and the ongoing meetings with our legislators to improve our funding.
• Reported that due to the change to the 15-week semester, the first faculty payroll for fall 2006 will be September 22, 2006.
• Heard a brief update on the proposal with community mental health
• Reported that the scanning team is meeting to finalize its recommendations and the planning team will be meeting to review the assessment reports.
• Reported that one of our students will be awarded an achievement award at the YWCA annual dinner.
• Heard a brief update on grants requests for the M-TEC from the CTA and on M-TEC's nomination for a national award from APTAC for the RFID training the M-TEC did for the Department of Defense. Kathy Johnson as well as another individual, yet to be determined, are authorized to attend the award ceremony in San Diego.
• The Michigan community college tuition rates survey was distributed and reviewed.
• Reported that the public announcement for NAM has been postponed.
• Information on a Nanotech program offered at a college in Minnesota was distributed. Jim agreed to take the lead on looking at the possibilities for KVCC.
• Heard a brief update on discussions with proposed changes in funding for the Waypoint innovative thinking request – the requestor believes the proposal would not be viable with the revised budget.

**Other Discussion Items**

a. Alternative Education Discussions
   - Kalamazoo Promise and Working with Under-Prepared Students –
     - Bruce will distribute a proposal on this topic to be reviewed and discussed at next week’s Cabinet meeting.
     - Bill agreed to research the information on successful programs.
     - Reported that meetings with the Kalamazoo Community Foundation and community representatives regarding local support services for students benefiting with the Promise are ongoing.
