The October Art Hop exhibit features Halloween storybook artwork by Austin Rounds. Being autistic has not always been easy, but it is a part of who Austin is, and only adds to his creativity. He recently finished working as the sole illustrator for author Jerrod S. Smelker's book of scary short stories, "WICKED HARVEST: Michigan Monsters & Macabre - 2" which was published in August by Wicked Harvest Books.

### November 4, 2022

Austin Rounds' artwork will remain on display throughout the month of November.
