

2019 BOYS BASKETBALL SUMMER CAMP

OUR PURPOSE

The purpose of the Kalamazoo Valley Boy's Basketball Camp is to develop boys into the best basketball players they can be by emphasizing individual basketball skills, teamwork, self-discipline and sportsmanship.

With instruction from current and former college basketball players and highly qualified coaches from area schools, campers will leave knowing the proper fundamentals and effort needed to be able to push them to the next level in order to meet the goals they set.

Just as important as individual skills are to a player's game, being a good teammate is just as important. Through daily station competitions, team contests, and five on five games, each camper will be put in pressure situations that allow them to learn and demonstrate how a good teammate should act.

"Our coaching staff understands the importance of being a good individual player, but they also know that one player can't do everything by themselves. In order to be the best player possible you must be the best teammate possible as well. Promoting teamwork is something our camp staff does a great job of while also making sure players are pushing themselves to be the best player they can be."

- Jim Horn, KVCC Men's Basketball Coach
