

KVCC Volleyball Summer League Opportunities

If there's one thing we know about playing volleyball in the off season, it is that the more touches athletes can get, the better! Now, imagine if your team could get those touches all together before your season begins. KVCC Volleyball is making it happen. We are offering our first ever team league opportunity for area high school volleyball teams.

This league offering will be varsity level competition at a great facility at the right price. Coaches can send players from any level to fill their roster, with the goal of improving their overall program. With the league running one night a week, players can easily work it into their schedules.

Send your team to KVCC for the team league and better prepare them in the weeks leading up to the start of your 2020 season
