

Veterans Tribute Garden

PERMANENTLY HONOR OUR NATION'S VETERANS

You can help make the vision for a Veterans Tribute Garden at Kalamazoo Valley Community College a reality by helping to underwrite the construction of an area designed to honor area veterans and their families.

In 2012, a group of student veterans proposed plans for the Tribute Garden as a way to honor their comrades. Nearly \$6,000 of the \$40,000 goal has been met. The garden will start to be constructed outside of the Student Commons area of the Texas Township Campus after \$20,000 has been raised.

In addition to corporate donations, the garden will be funded by individuals who purchase bricks inscribed with the names of servicemen and women.

Inscribed brick included with sponsorship.

If you have no specific veteran in mind for the brick inscription, you may choose to author a personalized message in support of our troops.

Garden Sponsorship Opportunities

- \$500 - \$999 Bronze
- \$1,000 - \$1,900 Silver
- \$2,000- \$2,900 Gold
- \$3,000+ Platinum
