

KALAMAZOO VALLEY COMMUNITY COLLEGE

2 YEARS + **2 YEARS** = **4 YEARS**

Earn an associate degree at
**KALAMAZOO VALLEY
COMMUNITY COLLEGE**

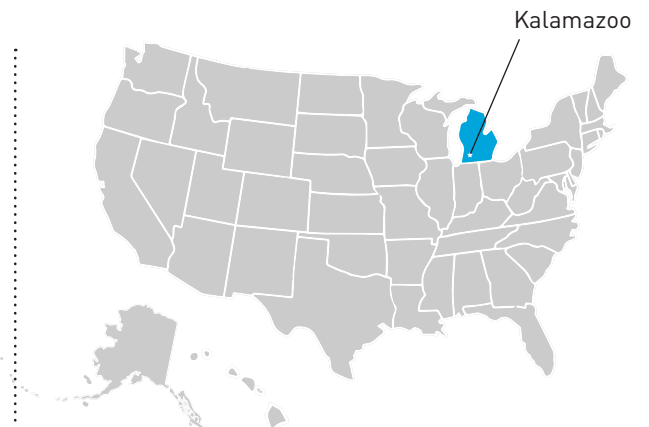

At a **UNIVERSITY**

Earn a
BACHELOR'S DEGREE

and **THOUSANDS OF DOLLARS IN SAVINGS**

2+2

is a process that allows students to earn an associate degree at a community college and finish at a university. By transferring the first two years of community college credits to a university, students can **graduate with a bachelor's degree** at a **much lower cost.**

SIX REASONS TO STUDY AT KALAMAZOO VALLEY:

1 EASY ADMISSION

We have open admissions meaning that by submitting the required documents, a student will gain admission. We do not require SAT or ACT, however, we will accept these standardized tests.

4 APPROACHABLE TEACHERS

Community colleges emphasize teaching rather than research. Students will be able to talk with their professors and get the support that they need.

2 LOWER TUITION COST

The tuition at Kalamazoo Valley is significantly less than a university. You will save \$40,000 or more by beginning your studies here.

5 EXCELLENT SUPPORT SERVICES

Students will find support through advising and counseling, learning about their strengths, transfer resources and student organizations and activities.

3 SMALL CLASS SIZE

Classes at the college average one instructor to 23 students.

6 HIGH TRANSFER RATE

We have transfer pathways to top U.S. universities.

FALL 2018/WINTER 2019 TUITION & EXPENSES
