Kalamazoo Valley

STUDENT INTERNSHIPS

Coordinates on-the-job learning experiences with organizations for students seeking an internship. Internships are designed to provide students with the opportunity to apply the knowledge gained in the classroom in a work environment and receive college credit for it. Internships may be paid or unpaid.

Kalamazoo Valley

STUDENT ORGANIZATIONS AND ACTIVITIES

Get connected and experience college outside the classroom through Student Organizations and Activities. With more than 20 student organizations on campus, including Soccer Club, Phi Theta Kappa, Association of Information Technology and Dance Club, students are encouraged to join an existing organization or start one of their own. Fun and educational activities include Cougar Connection, visiting authors and speakers, and financial and personal well-being workshops.

Kalamazoo Valley

STUDENT STRENGTHS DEVELOPMENT

Uses the Clifton Strengths for students tool to help students discover their “Top Five” strengths and apply those strengths in academics, career planning and personal goal setting. Grounded in Positive Psychology, it has helped more than a million people at more than 800 schools and universities achieve academic, career and personal success.

Kalamazoo Valley

TESTING SERVICES

Administers tests including placement tests, makeup exams, online testing, exams for college credit and an assortment of nationally recognized assessments in a comfortable, secure environment with flexible hours. The Testing Center can be used as an alternative to traditional classroom testing with instructor permission.

Kalamazoo Valley

TRANSFER RESOURCE SERVICES

HONORS PROGRAM

The Honors Program is a reading and writing intensive learning community that aims to prepare graduates to transfer to top-notch colleges and universities. Successful applicants are expected to graduate from Kalamazoo Valley before they transfer. The program theme is New Urbanism. Seventy percent of the world's population will be urbanized by 2050; therefore, it is critical that we learn how to make cities work well.

Program requirements:

- ENG 160-College Writing & Research
- HUM 120-Honors Seminar: Writing about Cities
- ENG 111-College Writing II:Literature
- PSY 270-Educ Psy Teach Assistantship
- SOC 202-Urban Sociology
- 15 hours of community service each semester
- Weekly summaries of articles selected from *The Economist* magazine

Honors Program students spend a considerable number of hours each week preparing their assignments. The workload is equivalent to what is expected at selective liberal arts colleges. In return, they receive full tuition reimbursement at the current in-district tuition rate.

DEGREE WORKS

**MAKE SURE YOUR CLASSES COUNT
TOWARD YOUR DEGREE.**

Degree Works is a Web-based tool for students to monitor their academic progress toward degree completion. It lists degree requirements and the courses that students have completed or registered for, and how they apply toward a program of study. Degree Works allows students and their counselors to plan future academic coursework.

Access Degree Works by logging on to My Valley. Then go to My Links and click on Degree Works.

LEARN ABOUT OUR **PAYMENT PLAN**

MAKE COLLEGE EASIER TO PAY FOR WITH A TUITION PAYMENT PLAN.

Make college more affordable by paying for tuition and fees over time. Tuition payment plans break down your tuition balance into affordable monthly payments. There's no interest, payment options are flexible, setup fees are affordable, and it's easy to enroll!

To enroll, go to www.kvcc.edu/myvalley

Dictionary of College Terms

As you begin college there may be some words or terms that are unfamiliar to you. This “dictionary” will help you understand the college language.

ACCREDITATION The process whereby a nationally recognized agency or organization grants recognition to a college or program within the college indicating that it meets established standards of quality. Kalamazoo Valley Community College is accredited by the North Central Association of Colleges and Schools, as well as several other program accrediting agencies.

ADD/DROP The procedure through which students make a change in their schedule of classes. Add/Drop dates can be found online at www.kvcc.edu/admissions/registration. A full refund is awarded when officially dropping out of a class before the published refund deadline.

ADMISSION The process through which an applicant is accepted as a student at Kalamazoo Valley and authorized to register for classes.

AUDIT Enrollment in a class for information or personal enjoyment without the award of credit. Regular attendance is expected and tuition rates are the same as for credit courses.

CERTIFICATE An award granted for the successful completion of a college level program, usually requires completion of 30 credit hours and one academic year.

CLASS SCHEDULE A booklet containing information on the courses and sections to be offered in a given semester, including names of instructors, days, hours, room numbers, and course credit hours.

CONTACT HOUR The number of hours a student is expected to either be in a class or in another “instructional” setting (such as a lab or clinical setting) in a typical week for a course.

COURSE NUMBER A number assigned to identify a course. Kalamazoo Valley uses a three digit number and an abbreviation for the subject area. Example, the course number for College Writing I is ENG 110.

COURSE REFERENCE NUMBER A five-digit number the college assigns to each scheduled time a course is offered. The same course may be offered many times during a semester; using the reference number during registration will enroll the student in the course time of his/her choice.

CREDIT HOUR The unit by which the college measures course work. A credit hour is basically the same as a clock hour meaning a three credit hour course would meet three hours a week.

DEGREE Title given for the completion of an academic program. The minimum number of credit hours for the associate degree is 62 and is generally completed in two academic years.

ELECTIVE A course in the program of study for which the student has some options, as opposed to a required course.

FEE A charge for special items, services, or course materials not covered by tuition.

FINANCIAL AID Any source of funds available to assist students and their families with the costs of attending college. Financial aid consists of grants, scholarships, employment and loans.

GENERAL EDUCATION Courses required in all college programs including areas of communication both written and verbal, social science, and mathematics/science.

GRADE POINT AVERAGE The grade point average (GPA) is determined by dividing the total number of quality points earned by the number of semester hours attempted.

LEARNING ASSESSMENT A procedure in which a student may receive credit for a course through a variety of methods, including certificate/licensure recognition, portfolio completion and/or exam.

QUALITY POINTS The number of quality points earned in a course is determined by multiplying the grade point value by the number of credits for the particular course.

REGISTRATION The process of enrolling in a course or courses each semester. Students must be registered and paid in order to participate in classes and receive credit toward their degree.

RESIDENCY STATUS The tuition rate classification of a student determined by the school district in which the student resides. Please refer to www.kvcc.edu/admissions/registration/verificationres.htm for more information.

SEMESTER The three academic periods during which courses are conducted each year. Fall is September thru December, Winter is January thru May, and Summer is May thru August.

TRANSCRIPT A copy of the student's permanent academic record. It becomes official when the seal of the college and authorized signature become a part of the copy. Official transcripts must be obtained from the Records Office, Room 9140, Tel. 488.4281.

TRANSCRIPT EVALUATION The procedure for awarding transfer credit for equivalent courses completed at another college, university or in the military service. A transcript evaluation must be completed in order for previous credits to apply toward a degree.

TUITION The amount of money charged for each course in which the student enrolls, based on total number of contact hours. The current tuition rate is always listed in the front pages of the class schedule.

WITHDRAWAL The procedure followed by students wishing to be removed from a class. The official request must be submitted prior to the published deadline. A "W," which does not affect the student's Kalamazoo Valley grade point average, will be recorded on the student's transcript.

WORK STUDY A financial aid program which provides jobs for students either on or off-campus. A student must demonstrate financial need by completing the FAFSA (Free Application for Federal Student-Aid-) at www.fafsa.gov. Veterans receiving certain GI benefits may also be eligible for VA work study. Contact Veteran Services Office for information.
